Sherri Combs
Office of the State Auditor
State Capitol, Room 100
Oklahoma City, OK 73105

Dear Ms. Combs:

This firm represents Air Assurance, Inc., and its owners, Mike and Narissa Rampey. We are investigating potential claims on behalf of our clients relating to the recent unauthorized dissemination of the contents of the draft report by the State Auditor and Inspector on the audit contracted with the Broken Arrow Board of Education.

As part of our investigation, we are attempting to identify the person or persons responsible for the unauthorized dissemination. Please confirm by letter or email to me as soon as possible that you had nothing to do with the dissemination of the draft audit report to anyone outside the State Auditor's office. We will regard your failure to do so as evidence that you were responsible for that unauthorized dissemination.

Yours faithfully,

Graydon Dean Luthey, Jr.
