Subject: RE: Sisney v. ISD#3

Dr. Sisney, to my knowledge, has not filed any action against the School District in state court. Given the plaintiff's position as stated below and what appears to be an attempt by Dr. Sisney to manipulate jurisdiction from that which he originally chose - federal court - and his unwillingness to address the substantial cost incurred by the School District to date in the litigation he initiated or any other matter, please note our objection.
